## WHAT IS MCGREGOR PACE?

McGregor PACE is a Program of All-Inclusive Care for the Elderly. Under the PACE program, we provide services that address the medical, rehabilitative, social, and personal care needs of older adults.

An interdisciplinary team works with participants and their caregivers to develop a personalized plan of care. Using a community-based approach, McGregor PACE enables older adults to remain among familiar surroundings while receiving the help they need.

### McGregor PACE is for people:

- 55 years of age or older
- Who live in Cuyahoga County
- Who qualify for nursing home level of care
- Who are able to live safely in the community

### McGregor PACE Services are:

- All-inclusive care coordination
- Provided in our Day Health centers and in the community
- Coordinated by an interdisciplinary team of health and service professionals
- Flexible to meet each participant's individual needs
- Intended to help participants remain as healthy and independent as possible.

### Home Support

- Home health care
- Homemaker/chore services
- Home meals
- Prescription Medication Management
