STNA Training – Earn & Learn Program

No Experience Required! You can achieve your STNA license while receiving full-time wages.

Have you always had a talent and passion for caring for people? Have you wanted to get into the healthcare industry but weren't sure where to begin?

At McGregor PACE, we now offer the State Tested Nursing Assistant (STNA) class at NO COST to you, so you can become certified, and jump start your healthcare career! We are looking for compassionate, kind individuals to participate in a 3-week training course (at no cost to you) to join our team.

What We Offer You:

The team at McGregor PACE is passionate about helping you start your clinical career and develop into a State Tested Nursing Assistant. You will receive training and testing at no cost to you! Upon completion of the class, you will qualify to take the state licensing exam within 90 days to obtain your STNA license.

$11.00/hour while completing the training class

$14.00/hour after training until you pass the STNA test and receive your certification

Benefits (waiting period may apply):

- Tuition reimbursement

- Health insurance • Life insurance
- Dental insurance • Vision insurance • Paid time off
- Employee assistance program • Employee discount
- Disability insurance
- Referral program

$16.50/hour once you pass the STNA test or $15.50/hour after 90 days if you are not successful in passing the test

No License/Certification required.

- Retirement plan Supplemental
